

**3D** Panormic camera  
VR Camera

## Specification

## Feature

- Pixels 3 mp / H.265
- Two way audio
- Mic and Speaker Built-in
- Fame Rate 15 fps
- IR LED 3 Pcs.
- IR Range 5-10 m.
- Field of view 360
- Focal Length 3.6 mm.
- SD Card Maximum 128 Gb

| Model                        | HW-33VR30-2  |
|------------------------------|--|
| Pixels                       | 3.0 mp   |
| Unit of Illuminance          | Color Mode : 0.1 Lux , Black&White Mode : 0.01 Lux |
| Call                         | Two way audio                                      |
| Mic and Speaker              | Built-in   |
| Frequency Sound Waves        | AAC (Default)                                      |
| <b>Video</b>                 |  |
| Stream Type                  | Dual stream (Main, sub)                            |
| Video Compression            | H.265, H.264                                       |
| Resolution                   | Main 1536x1536 / Sub 640x640                       |
| Fame Rate                    | 15 fps   |
| Auto Cruise                  | Supported  |
| Mounting Mode                | Supported  |
| Original Mode (Fish eye)     | Supported  |
| Cylinder Mode                | Supported  |
| Corridor Mode                | Supported  |
| Four Screen Mode             | Supported  |
| Spread Mode                  | Supported  |
| Asteroid Mode                | Supported  |
| Crystal Ball Mode            | Supported  |
| VR Mode                      | Supported  |
| E-PTZ / E-Zoom               | Supported  |
| Image Setup                  | Flip, Mirror                                       |
| Sharpness Adjust             | Auto, Standard, High, Ultra-clear                  |
| Image Style                  | Standard, Brightness, Gorgeous                     |
| <b>Function</b>              |  |
| Motion Detection             | Supported  |
| Motion Detection Recording   | Supported  |
| Motion Detection Area        | Supported  |
| Motion Detection Sensitivity | Lowest, Low, Middle, High, Highest                 |
| Privacy Zone                 | Supported  |
| <b>Alarm</b>                 |  |
| Motion Alarm Notifications   | Supported  |
| Motion Alarm Siren           | Supported  |
| <b>Lens</b>                  |  |
| Field of view                | 360  |
| Focal Length                 | 3.6 mm.  |
| Auto Iris                    | Auto Electric Iris                                 |
| <b>Infrared</b>              |  |
| Day&Night                    | Auto, Day, B/W                                     |
| IR LED / IR Range            | 3 Pcs. / 5-10 m.                                   |
| <b>Network</b>               |  |
| Network Protocol             | TCP/IP , DHCP , DNS , RTSP , NTP , UDP             |
| Wi-Fi                        | 2.4 ghz  |
| Wifi Range                   | Maximum 1.5 m.                                     |
| Ethernet                     | RJ45 10 m/100 m.                                   |
| <b>Electrical</b>            |  |
| Wattage                      | DC12V/1A   |
| <b>Machanical</b>            |  |
| Body materia                 | Plastic  |
| Package type                 | Color box  |
| <b>Memory</b>                |  |
| SD Card                      | Maximum 128 Gb                                     |
